OPINION

Plaintiffs filed this lawsuit asserting that the participants in a state-court divorce proceeding discriminated against them on the basis of disability and perceived disability in violation of Title II and Title III of the Americans with Disabilities Act and Section 504 of the Rehabilitation Act. This lawsuit is now before the court on the recommendation of the United States Magistrate Judge that plaintiffs' case be dismissed due to the passage of the statute of limitations on their claims. Also before the court are

plaintiffs' objections to the recommendation. After an independent and de novo review of the record, the court concludes that plaintiffs' objections should be overruled and the magistrate judge's recommendation adopted.

An appropriate judgment will be entered.

DONE, this the 7th day of May, 2018.

UNITED STATES DISTRICT JUDGE
